

### **Biography – Jeff Benson**

Jeff Benson is the Business Operations Specialist for CAES. He is responsible for coordination of business outcomes, project management, and CAES process improvement. Prior to joining CAES, Jeff worked for the Nuclear Science User Facilities (NSUF) at INL as a Program Administrator. As Program Administrator, he managed the administration, review, and award of NSUF solicitations and execution of awarded proposal work at INL and affiliated national laboratory and university partners. From 2000-2008, Jeff was the Lead for Education and University Programs at INL where he supervised laboratory's K-12 programs, high school/graduate/undergraduate/teacher internships, employee education program, corporate donations, and education outreach strategy. He holds a Master of Public Administration (MPA) degree from Marriott School of Management at Brigham Young University and a bachelor's degree in Education from Brigham Young University.
